

Tuition Fee Payment Terms & Conditions

At Mediterranean College of Sport (MCS), tuition fees are charged on an **annual basis** and are payable for the **entire academic year**. For administrative convenience, parents/guardians will be **invoiced prior to the start of each academic term** (three terms per academic year).

Notwithstanding the termly invoicing structure, **enrolment at MCS constitutes a binding financial commitment for the full academic year**. Accordingly, **the full annual tuition fee remains payable even if a student-athlete withdraws, transfers, or leaves the College at any stage during the academic year**, for any reason. **No refunds or fee reductions** shall be granted for any paid tuition fees, including for periods during which a student-athlete is **suspended from school due to disciplinary measures**.

All invoices must be **settled in full by the stated due date**, and no later than **30 days prior to the commencement of each academic term**. In the event of late or non-payment, MCS reserves the right to **apply administrative charges, suspend access to academic and sporting programmes, and/or withhold reports, certifications, or re-enrolment** until all outstanding balances are cleared.

To safeguard the sustainability and continuity of its academic and sporting programmes, **a student-athlete's place is confirmed only upon receipt of payment**, and MCS reserves the right to recover any **outstanding balance of the full annual tuition fees** in the event of early withdrawal.

By ticking this box, I/we confirm that I/we have read, understood, and agree to the above Tuition Fee Payment Terms and acknowledge that enrolment at Mediterranean College of Sport constitutes a binding financial commitment for the full academic year, irrespective of termly invoicing.
